Join us for the first of two free webinars hosted by BWC in coordination with Ohio Safety Council sponsors.

You want to achieve zero-incident culture for safety—who doesn’t? But what does it really take to get to that point? For starters, it takes great leadership, coaching, and engagement. This inspiring keynote, which parallels servant leadership principles, is infused with humor, and will reveal seven contemporary and empirically based principles that will move your people from superficial compliance to deeper and more durable forms of personal commitment to safety.

Presented by David J. Sarkus, MS, CSP
