PROGRAM: “Are Transitional Work Programs Really Worth the Effort?”
Presented by Shanna Dunbar BSN RN COHN-S

Finding modified work or ‘light duty’ for an employee who has work restrictions can be a bother. But - providing an injured worker with job activities as they rehabilitate is not only good for the employee - but for your business as well.

Join us on August 19 when we welcome Shanna Dunbar a board-certified occupational health nurse who will demonstrate to you the value of a transitional work program at your company – plus enlighten us about a GRANT opportunity through the Ohio BWC.

Reservations **are not required.** Please email galionsafetycouncil@gmail.com or call Miranda Jones at **419-468-7737** for the meeting password. The webinar will be recorded and posted to the Galion Safety Council webpage following the meeting. You may request the webinar link be personally sent to you by e-mail (galionsafetycouncil@gmail.com) or by calling Miranda Jones at **419-468-7737**
